## how to leave a lasting gift

There are a number of ways of writing a will.

If you wish to discuss this further then please contact bid services' legacy officer or take legal advice from a solicitor.

The legacy officer can be contacted in a number of ways as shown below.

bid services values your interest and the deaf community will be grateful of any gift you consider leaving.

## please remember us in your will

## Why leave money to bid services in your will?

bid services like all charities relies on the kind generosity of people. bid services currently supports over 3,000 deaf, deafened and hard of hearing people every year.

Support is provided in a number of different ways such as by providing equipment to help someone to remain independent and providing interpreters to access medical appointments, this is a small example of our work.

You can help us to continue with our good work by leaving us a gift in your will. Your generosity will help us to continue our work by...

- » Providing people with hearing loss with equipment
- » Run lip-speaking classes for those that need communication support
- » Help us raise awareness of the importance of regular hearing checks
- » Support people, and their families, to understand and cope with hearing loss better

Your generosity really will make a difference and help us to continue to give people with hearing loss access to the vital support they need.

# bid services legacy information

- please send me further information
- I have left a legacy to bid services
- I would like to leave a gift to bid services
