bid services' Supporting People Team has a highly developed range of skills to support Deaf, deafened, Deafblind and Hard of Hearing people across Birmingham.

What is Supporting People?

The Supporting People programme was launched across the UK in April 2003 and is committed to providing a better quality of life for vulnerable people to live more independently and maintain tenancies.

Supporting People programmes are delivered at local level by fully accredited and recognised service providers to provide housing related support and a smooth transition to independent living.

- » Understanding tenancy agreements
- » Organising repairs to your home
- » Your health and well being
- » Becoming part of the community
- » Maintaining and developing independence
- » Reducing isolation and loneliness
- » Advice on benefits and finance

We pride ourselves on the strong and supportive relationships we **build** with our clients, allowing us to meet service user needs effectively...
