

B-ID SERVICES

Enablement Service Coventry

About BID Services

BID Services deliver a range of services working with more than 6000 people each year providing Advocacy, Employment, BSL Interpreting and training, Rehabilitation and Mobility training, Specialist Equipment, Residential Care, Social Work, Support for Tinnitus and Housing Related Services.

We are also able to offer information and advice on a range of issues and topics provided in accessible formats such as British Sign Language and large print.

About the service

The Enablement Service supports Coventry residents over the age of 16 with hearing and/or sight loss. The service is delivered by BID Services on behalf of Coventry City Council and Coventry and Rugby Clinical Commissioning Group.

Getting Support

We offer a range of support designed to help people be as independent as possible and to stay healthy. Services are delivered within the community and in your own home.

We offer one-to-one support through a person-centred assessment, tailored interventions to build independent living skills, and access to health and wellbeing activities and groups.

The support includes:

Accessing information around benefits and debt advice

Help with budgeting

Tenancy support

Staying safe and secure in your own home

Health and wellbeing

Reducing isolation / accessing social groups

Accessing information around employment, education, training and volunteering.
