Ladywood Road,
Birmingham, B16 8SZ

About us

BID Services is a charity. We have been supporting people with a sensory loss since 1872. We introduced our Interpreting & Communication Service in 1994 as we recognised the need for high quality professional interpreting and communication services. We are now one of the largest BSL Interpreting & Communications providers in the UK and have built our reputation on providing services that are highly personalised and always reliable.
